

Primitives and Special
Forms

Recursive Descent Parser

```
graph RL; A[Recursive Descent Parser] --> B[Primitives and Special Forms];
```

A diagram showing a flow from a box on the right to a box on the left. The box on the right is labeled "Recursive Descent Parser" and has a gray background. The box on the left is labeled "Primitives and Special Forms" and has a white background. A black arrow points from the right box to the left box.
